

DEPARTMENT OF THE AIR FORCE
WASHINGTON

OFFICE OF THE UNDER SECRETARY

FULCRUM

3 MAR 1965

Dear General Carter,

Up to this time, the NRO has received no technical data in written form on FULCRUM other than copies of briefing charts used in August 1964. I would appreciate copies of all the charts used in the very complete briefings to Dr. Land's panel on 23 February.

As I recall, the CIA contracts for studies on FULCRUM, as established during the summer and fall of 1964, were to terminate their first phases in January and February of 1965. I assume that these contracts all call for definitive reports from the contractors on the work accomplished. I would appreciate copies of those reports that are now available, and an indication of when the remaining reports might be made available to me.

Sincerely,

Brockway McMillan
